SILIGURI, DIST. DARJEELING (WB),

Website: www.Siligurismc.in Email: Smcwb2@gmail.com

Due to unavailability of required water level in Teesta Barrage & due to increase in turbidity of water in Teesta caused by heavy rain & flood like situation in Sikkim the water supply in the Siliguri Municipal Corporation may be slightly hampered (i.e. water supply may come for less time than usual). SMC is continuously keeping a watch on PHE with this. In the event of any shortage SMC will be deploying tankers across all wards.
