আজ আমরা যখন শিলিগুড়ি পৌর নিগমের নির্বাচিত বোর্ডের দ্বিতীয় বর্ষ পূর্তি উদযাপনের দ্বারপ্রান্তে এসে পৌঁছিয়েছি, তখন অত্যন্ত আনন্দের সাথে এবং আত্মতৃপ্তির সাথে গত দুই বছরে আমাদের প্রচেষ্টার 'সম্পাদিত কার্য-প্রগতি পত্র'-এর দ্বিতীয় সংস্করণ আপনাদের সামনে উপস্থাপন করছি। ডেপুটি মেয়র হিসেবে দায়িত্ব পালন করাটা আমার কাছে যেমন এক সম্মানের, পাশাপাশি আমাদের প্রাণবন্ত শহরের বৃদ্ধি ও উন্নয়নের এক দায়িত্বপূর্ণ কাজ বলে আমি মনে করি। এই দুই বছরে নির্বাচিত বোর্ড প্রতিশ্রুতি মতো এ শহরকে আরও বেশী প্রাণবন্ত, পরিবেশ বান্ধব বাসযোগ্য করে গড়ে তোলার জন্য এবং আরও উন্নততর শহরে পরিণত করার জন্য অক্লান্ত পরিশ্রম করেছে। আমাদের দৃষ্টিভঙ্গী হলো স্বচ্ছতা, নাগরিকের কাছে আমাদের দায়বদ্ধতা এবং উন্নয়নের কাজে নাগরিকদের অংশ গ্রহণ, তাঁদের সুপরামর্শ গ্রহণের নীতির উপর ভিত্তি করে এগিয়ে যাওয়া।

একটি সহযোগিতামূলক চিন্তন ও পরিকল্পনার মাধ্যমে আমরা আমাদের শহরের বসবাসকারী বিভিন্ন সম্প্রদায়ের প্রয়োজনীয় চাহিদাগুলিকে মোকাবিলা করার যথাসাধ্য চেষ্টা করছি। এ বিষয়ে আমাদের লক্ষ্য হল কোনো মানুষের কথা যেন অশ্রুত না থাকে এবং কেউ যেন অবহেলিত না হয় অর্থাৎ সকল মানুষকে সমান গুরুত্ব দেওয়া।

আমাদের প্রাথমিক পর্যবেক্ষণ হল পরিকাঠামোগত উন্নয়ন, নগর পরিকল্পনা এবং জলবায়ুকে ক্ষতিগ্রস্ত না করে নাগরিক স্বাস্থ্যের শ্রীবৃদ্ধিকরণ। আমরা বর্জ্যব্যবস্থাপনা, স্বাস্থ্য এবং পরিবেশ সংরক্ষণের ক্ষেত্রে উল্লেখযোগ্য পদক্ষেপ গ্রহণ করেছি। বৃক্ষরোপণ কর্মসূচি এবং বর্জ্য পৃথকীকরণ কর্মসূচির মতো উদ্যোগগুলি একটি পরিষ্কার এবং সবুজ শিলিগুড়ি গড়ে তোলার জন্য আমাদের সদার্থক প্রচেষ্টাকে নিঃসন্দেহে প্রতিফলিত করে। অর্থনৈতিক প্রবৃদ্ধির এবং কর্মসংস্থান সৃষ্টি আমাদের আলোচ্য বিষয়সূচির মধ্যে অগ্রাধিকার ভিত্তিতে রয়েছে।

শহরের উন্নয়ন এবং কর্ম সংস্থানের জন্য আমরা সকলকে স্বাগত জানিয়েছি। শহরের পিছিয়ে পড়া অঞ্চলগুলোর উন্নয়নে আমরা এই দুই বছরে বিশেষভাবে নজর দিয়েছি। এর ফল স্বরূপ এটি কেবল স্থানীয় অর্থনীতিকেই উর্ধ্বমুখী করেনি, বরং আমাদের বাসিন্দাদের সামগ্রিক সমৃদ্ধিও ঘটিয়েছে। সমাজ-কল্যানের প্রতি আমাদের প্রতিশ্রুতিবদ্ধ কাজ-কর্মগুলো শিক্ষা, স্বাস্থ্য সেবা এবং আমাদের সমাজের দুর্বল শ্রেণির মানুষের উন্নতিতে ত্বরান্বিত করেছে।

আমরা বিশ্বাস করি যে একটি শহরের অগ্রগতি তার সমস্ত বাসিন্দাদের জীবনযাত্রার মানের দ্বারা পরিমাপ করা হয় এবং আমাদের উদ্যোগগুলি একটি সর্বব্যাপী জনদরদীমূলক শিলিগুড়ি শহর তৈরী করার জন্য সর্বদা সচেষ্ট একথা অনস্বীকার্য।

যাইহোক, উন্নতির অগ্রগতি হলো একটি চলমান যাত্রা যা উন্নয়ন ও অগ্রগতিকেই অব্যাহত রাখে। সবসময় জায়গা আছে। আমরা আপনার মতামত এবং পরামর্শের মূল্য দিই, কারণ এগুলো শিলিগুড়ির ভবিষ্যৎ গঠনে গুরুত্বপূর্ণ ভূমিকা পালন করে।

যখন আমরা এই দু'বছরে আপনাদের সহযোগিতায় আমাদের সফলতাকে উদযাপন করছি, ঠিক তখন আসুন, আমরা আমাদের ভালোবাসার শিলিগুড়ির আরও উজ্জ্বলতর সফলতা অর্জন এবং তার আনন্দ সকলের সঙ্গে ভাগ করে নেওয়ার লক্ষে এগিয়ে যাই আগামীর পথে।

আমি শিলিগুড়ি পৌর নিগমের কর্ম-নিবেদিত সকল সদস্য/সদস্যকে, আমাদের সম্মানিত সহকর্মী এবং সবচেয়ে গুরুত্বপূর্ণ শিলিগুড়ি নাগরিকদের প্রতি কৃতজ্ঞতা জানাই, যাদের সমর্থন আমাদের প্রচেষ্টার মূল চালিকা শক্তি। আসুন আমরা এমন একটি শহর গড়ে তুলি যার জন্য আমরা সবাই গর্ব বোধ করতে পারি। মানুষের সেবায় নিরলস শিলিগুড়ি পৌর নিগম।

Memo No. 65/PAC/SMC/23-24

Date : 19.02.2024

It is my pleasure to present the second volume of the Performance Report of the Siliguri Municipal Corporation on this momentous occasion of the completion of two years since the election of the current board. This report encapsulates the significant efforts we have made collectively in transforming Siliguri into a climate resilient, sustainable, and inclusive city. Over the past two years, the Siliguri Municipal Corporation has navigated through various challenges, demonstrating resilience, commitment, and a strong sense of responsibility towards the citizens we serve. In this volume, you will find detailed analyses of key performance indicators, highlighting the strides made in areas such as infrastructure development, waste management, urban planning, and community engagement which have enhanced the quality of life in Siliguri.

We have implemented a solid waste segregation program, complemented by the establishment of a state-of-the-art 200 TPD fresh waste processing facility. This not only addresses immediate waste management concerns but also contributes to our broader sustainability goals. At the same time, we ensure clean roads and surroundings through our team of cleanliness workers, *Nirmal Sathis* and *Nirmal Bandhus*. To address the sanitation needs of our growing population, we have established three decentralised sewage treatment plants (STPs) that aim to provide efficient and eco-friendly solutions to wastewater management. We have diligently worked towards ensuring a sustainable water supply aiming for 135 litres per capita per day through the *AMRUT Mission*, thus securing a crucial resource for the well-being of our residents. Recognizing the importance of renewable energy, we have successfully implemented a 25 kWp hybrid solar PV system which demonstrates our commitment to clean energy. Additionally, our ambitious project to convert streetlights to LEDs not only enhances energy efficiency but also ensures a safer and well-lit cityscape. We have undertaken numerous projects on road construction, upgradation, and repair, especially the bye-lanes and pocket roads of Siliguri, which emphasises our efforts to bolster the last mile connectivity, thereby ensuring accessibility for all. We have undertaken several slum development projects wherein we have extended basic services like water, electricity, toilets to the slum dwellers. Our social inclusion programmes include initiatives such as *MAA canteens* which provides affordable and nutritious meals, *Duare Sarkar* which is a doorstep delivery system for essential government services, *NULM* and other schemes which enables women and EWS citizens to be financially self-sufficient. Pensions for the elderly and widows have been increased, reflecting our dedication to supporting the most vulnerable sections of our society. The *Banglar Bari* initiative strives to make housing affordable and accessible to all residents, ensuring that a secure and comfortable home is within reach for every citizen of Siliguri. Under the leadership of the Hon'ble Mayor, we have initiated several social outreach programmes like *Talk to Mayor*, *Manusher Kachhe Cholo*, *Write to Mayor* and *WhatsApp to Mayor* to redress the grievances of the citizens and increase accountability and transparency on our part. Through the *Alor Dishari* programme we provide free coaching classes and necessary stationery to the students of classes IX and X across Bengali, Hindi and English medium schools.

The tireless dedication of the elected board, municipal officials, and every staff member of Siliguri Municipal Corporation has been instrumental in achieving the milestones outlined in this report. Our commitment to good governance, accountability, and citizen-centric policies remains steadfast, and we are determined to build upon these foundations in the years to come. As we celebrate this milestone, it is crucial to acknowledge the invaluable feedback and support received from the residents and stakeholders of Siliguri. We remain open to constructive feedback and look forward to continued partnership in our shared vision for a climate resilient, sustainable, and inclusive Siliguri. Together, let us continue to build a city that is not only resilient and sustainable but also a true reflection of the aspirations and inclusivity of its people.

# BUILDING CELL

- Urbanization and building plans are complementary to each other. The beauty of the city depends to a degree on constructions with aesthetic architectural design. Building construction is a huge industry which generate bulk amount of employment & revenue for the city. The Building Cell of Siliguri Municipal Corporation regulates the building activities in the area under its jurisdiction as per provisions of the West Bengal Municipal (Building) Rules (2007). As per the said Rules made under the West Bengal Municipal Corporation Act, 2006, it is mandatory for every citizen desirous of erecting a building or executing any work, to obtain prior permission from SMC. In case of failure to do so, the construction carried out shall be treated as unauthorized construction within the meaning of the provisions of the Act. Approval of all new building plans, renewal of existing building plans and issuance of occupancy certificate is carried out following said Act, Rules and exact government guidelines. Strict actions are taken against unauthorized and illegal constructions. It is requested to all citizens of the city to collect occupancy certificates once their buildings are completed.
